

About Us

Amazing Party Hire is a young, energetic team of highly experienced staff with exceptional talents in their fields.

Who We Are An Australian owned and family operated business since 2003. Amazing Party Hire have a high reputation as one of Sydney's leading party hire businesses. We have a competitive edge in the party hire industry, with a wider range of the best quality products and contemporary styles than most of our competitors. We have the equipment to make your function a success whether it be a small intimate dinner party, an upmarket product launch, or a fairytale wedding with all the trimmings.

Our Vision At Amazing Party Hire our vision is to provide our clients with a higher level of service and a wider range of products, to compliment all styles of functions. We will continue to seek innovative products and services to meet our customers evolving requirements.

Our Strategy Our business strategy, which combines competitive pricing, contemporary product ranges, and impeccable quality has proven to be a successful formula for Amazing Party Hire. We understand that long term success is about more than just supplying great products at great prices. Our experience, expertise and ongoing commitment to customer satisfaction have ensured that as client's needs change and evolve, Amazing Party Hire is right there with them.

Competitive Edge

Our flexible working hours allows us to deliver and pick up at your convenience, at times when our competitors are closed. We are there to help make your function as stress free as possible.
